JFK Invokes T-H Law, Halts Dock Strike

NEW YORK (AP)—Longshoremen quit work on Atlantic and Gulf Coast ports today after their contract expired. Within 10 hours, President Kennedy invoked the Taft-Hartley Act in an attempt to end the work stoppage.

The presidential action, the first in Taft-Hartley machinery, appeared to be the only immediate likelihood of bringing the unionized longshoremen back to docks from New England to Texas.

Prospects for quick agreement on a new work contract seemed remote.

The White House said Kennedy would create a board of inquiry to report to him by Thursday on the nature and scope of the work stoppage. On the basis of the board's report, the President will decide whether to order the usual 80-day cooling off period.

Former President Dwight D. Eisenhower, during his administration, used a Taft-Hartley injunction to halt a waterfront strike that tied up more than 200 American-flag ships for a week.

The AFL-CIO International Longshoremen's Association — ILA — ordered its 75,000 members off the job as of 12:01 a.m., when the union's old contract expired with 145 shipping firms.

William V. Bradley, ILA president, issued a midnight statement from the union's New York headquarters, saying: "The mandate of our membership of 'no contract, no work' is now in effect."

"There is to be no work performed on the waterfront from Maine to Brownsville, Tex., until a favorable contract is signed."

Negotiations collapsed Saturday between the ILA and the New York Shipping Association, the employers' group here, after weeks of fruitless bargaining.

In an effort to clear ship cargoes before the longshoremen's work stoppage, more than 10,000 men labored at overtime wages Saturday and Sunday at 52 New York harbor piers.

The longshoremen's action topped all operations at Gulf Coast ports where pickets were posted initially at both Houston and Galveston, Tex. Pickets also were ordered posted in New Orleans, ILA officials there said.

The employers had sought to have ILA work gangs reduced from their present 20-man strength to smaller groups of from 8 to 1.

The union demanded wage increases over the current \$3.02 hourly rate.

Offers Time to Gov. Barnett

LITTLE ROCK (AP)—Michael J. Heller, president and general manager of Radio Station KAJI in Little Rock, has offered Mississippi Gov. Ross Barnett equal time to reply to President Kennedy's announcement Sunday night.

In a telegram to Barnett late Sunday night, Heller extended an offer of free air time for Barnett's rebuttal.

Heller said the rebuttal is expected today.

Man Arrested Here for Malvern Police

Raymond Nichols, 57, whose address was listed as 1820 Houston St., Texarkana, was picked up here last night for Malvern police in connection with an investigation of attempted rape.

City Officer Mifflin and Malvern officers arrested Nichols about 7:30 p.m. He was turned over to Malvern officers. The officers said the rape attempt at Malvern involved a 16 year old girl.

State Police men questioned Nichols in connection with an incident at Fulton several weeks ago in which a 12 year old girl and her brother was picked up by an unidentified man and taken near Columbus where the youths got free of the car.

To Trial on Charge of Mail Fraud

PARAGOULD, Ark. (AP)—Arnold E. Edens, 40, formerly a Paragould broker, was scheduled to go on trial at Paragould today on a charge of mail fraud.

He faces charges contained in a 12 count indictment returned June 14 by a federal Grand Jury for the eastern district of Arkansas. The indictment charges that since 1956 Edens solicited orders for purchase of stock and pocketed part of the money.

It also charges he delivered counterfeit certificates to customers and induced them to sell stocks to him on the promise he would convert them to purchase of other securities, but actually kept them.

Before the trial can begin, a hearing will be held to determine on a request in behalf of Edens for a change of venue.

He claims he cannot get a fair trial at Jonesboro because trials on previous charges have received some publicity.

Edens was convicted on bad check charges, but the state Supreme Court reversed the conviction. The high tribunal has affirmed the conviction and seven-year sentence of Edens on false pretense charges.

U.S. Attorney Robert D. Smith said the trial will last at least a week. Smith said the governor has subpoenaed 28 witnesses.

Defense attorney Gus Camp of Piggott said he did not know how many witnesses he could call.

Storms Pose Threat to World Orbit

By HOWARD BENEDICT

CAPE CANAVERAL, Fla. (AP)—Two major storms — tropical storm Daise in the Atlantic and typhoon Dinah in the Pacific — posed possible threats today to Walter M. Schirra Jr.'s projected six-orbit space flight, scheduled Wednesday.

Daise was an immediate threat. Dinah was not expected to cause trouble unless the shot is delayed. A spokesman for the National Aeronautics and Space Administration reported officials are keeping a close watch on the two weather systems.

Daise boiled up 420 miles east of Puerto Rico Sunday and the San Juan Weather Bureau reported winds up to 50 miles an hour in a small area near the center. The storm was following a course which would create a heavy sea problem Wednesday near Grand Turk Island, the ocean area where Schirra would land if trouble forced his flight to be terminated after three orbits.

Dinah was reported in the Pacific southeast of Japan. It could bring rough weather to the recovery areas for the fourth, fifth and sixth orbits — east and northeast of Midway Island.

Almost perfect weather is a must in possible landing zones before the launching will be attempted.

Schirra kept in close contact with weather developments from his quarters in Hanger S, at Cape Canaveral, where he is spending the final days before the flight.

At Hanger S, Schirra undergoes daily physical checks, dines on a low residue diet and makes repeated run-throughs of the flight plan. He left the Cape for a while Sunday for a swim in a pool in nearby Cocoa Beach.

All other elements of the mission, including Atlas booster rocket and capsule, were reported in excellent condition.

Republican Candidate Visits Hope

Fifty persons gathered for a breakfast at the Barlow Saturday Sept. 29 and heard Warren Liebberg, GOP candidate for Congress from the 4th District say that he had not signed a pledge to do everything the Kennedys said do regardless of whether or not it was good for our nation.

He accused the Democrats of placing party above principle and America, and was locally cheered by the assembled group. He later toured downtown areas, shaking hands with shoppers, clerks and merchants. His appearance was sponsored by the Hempstead County Republican Club.

The same group will bring Dr. Kenneth Jones to Hope and Hempstead County for a 25 hour stay on Oct. 9 and 10. During which he will appear at a coffee, a luncheon visit rural areas and speak at a public rally in downtown Hope. Details will be announced later this week.

Truck Slams Into a MOP Engine

City Officers Martin and Torbert investigated an accident at Division and the L&A crossing Saturday and reported a pickup truck driven by R. C. West of DeRidder, La. ran head on into a Missouri Pacific yard engine which was stopped on the track. There was minor damage to the West vehicle and none to the train.

Troops Use Bayonets to Force Mississippi to Enroll 1st Negro

Had to Send Troops, JFK Tells Nation

By DOUGLAS B. CORNELL
WASHINGTON (AP)—President Kennedy declares it was his inescapable duty to call out troops when Mississippi defied court orders to enroll a Negro at the state university.

Grim, yet conciliatory at times, the President said Sunday night in a short radio-television address to the nation that he hoped it would be unnecessary to use troops, even though conciliation and persuasion had failed to obtain admission of James H. Meredith.

After his address, Kennedy sat beside the telephone in his office getting up-to-the-minute reports on rioting, gunfire and teargas sweeping across the university campus at Oxford — and the arrival on the scene of federal military reinforcements.

Courts of law, all the way up to the Supreme Court, Kennedy said in his speech, ordered Meredith's admission into the university. When the orders were defied and those who tried to carry them out were threatened with arrest and violence, the U.S. Court of Appeals "made clear the fact that the enforcement of its order had become an obligation of the United States government."

"Even though this government had not originally been a party to the case," the chief executive continued on Page Four

Witnesses to Attend Camden Meet

Eugene Shuster, presiding minister for the local congregation of Jehovah's Witnesses, announced today that in September a special meeting was held in Arkadelphia, Ark. where preliminary plans were made to arrange for the semi-annual circuit conference for Jehovah's Witnesses in the Arkansas Circuit No. 2. Mr. Shuster was designated as the accounts director while Duane Saska also of Hope, was designated as the assistant to the hotel and motel reservation director.

The Hope congregation has been invited to attend the three day meet to be held in Camden, Oct. 5-7, 1962. It will be held in the Camden, Municipal Auditorium. The Watchtower Bible and Tract Society of Brooklyn, New York, has arranged for the meet, and 625 are expected to attend from the 19 different congregations and groups of Jehovah's Witnesses in eastern Oklahoma and western Arkansas. The Hope congregation will send 18 delegates.

Goldberg's wife, son and daughter arrived overseas on this tour of duty in April 1962.

General Walker Is Taken Into Custody Today

WASHINGTON (AP)—Atty. Gen. Robert F. Kennedy announced the arrest today of former Army Maj. Gen. Edwin Walker on charges of inciting a rebellion or insurrection.

Kennedy said Walker was arrested at a military roadblock near Oxford, Miss., and would be arraigned later today. Earlier in the Senate Walker, who had participated in the rioting at the University of Mississippi, was described as possibly a "sick man" who "ought to be committed" and was linked with "violent segregationists or psychopaths."

High Court Faces Grave Decisions

By PAUL M. YOST

WASHINGTON (AP)—President Kennedy took time out from the crisis at the University of Mississippi today to attend the opening of the new term of the Supreme Court.

Both the President and his brother, Atty. Gen. Robert F. Kennedy, were present as Kennedy's appointee, Arthur J. Goldberg, took the oath as associate justice.

Vice President Lyndon B. Johnson, House Speaker John W. McCormack of Massachusetts, six other Cabinet officers and many high government officials also were present.

Goldberg moved to the court from the post of secretary of labor.

Goldberg first took the constitutional oath in the justices' private conference room. Only the other justices were present.

The judges then entered the court with Goldberg taking a seat at the desk of the court clerk.

Chief Justice Earl Warren announced the retirement of Associate Justice Felix Frankfurter, paying tribute to him for his long service. Warren then announced that Goldberg had been named to replace Frankfurter, and Goldberg stepped forward to take the oath.

As Goldberg took his seat at the end of the high court bench, Associate Justice Potter Stewart leaned over, shook hands, and said, "Welcome Mr. Justice."

The whole ceremony took only 6½ minutes. The President left almost immediately after it was over.

After the opening ceremonies, Warren turned quickly to routine business. The first item was the admission of 45 attorneys to practice before the Supreme Court.

After an 18-minute opening session, the court recessed until next Monday.

Two Killed in Campus Riots, Many Arrested

OXFORD, Miss. (AP)—James H. Meredith, 29, a Negro, enrolled in the University of Mississippi today under the bayoneted rifles of the federal government. Minutes later renewed violence began in downtown Oxford.

The new outbreak of disorder came after a lull in night-long rioting in which two persons—a newsman and an Oxford resident—were killed.

Federal troops—numbering 4,000—look over the courthouse square of this seething town of 5,283. With bayonets at the ready, they blasted groups of angry youths into rout with tear gas.

Business ground to a virtual halt in the heart of town. Doors to many shops were locked.

Arrests jumped to 150. Officers of the riot-trained Military Police said many of those taken into custody lived up to 500 miles away.

Roving groups of incensed Southerners vented their passions in bitterness over the registration of Meredith — the first Negro knowingly admitted to Ole Miss in its 114-year-old history.

Meredith registered as a student in a 55-minute session with the registrar, Robert Ellis, that began at 8:15 a.m. during which angry students gathered across the street.

Meredith emerged smiling, his customary smile that seems to mask any nervousness he might feel. Immediately he got lost with his marshal escort on route to his first class, returned to the scene of his registration and left most thereafter in a caravan of Army vehicles.

Tangible evidence that the passions of the night hadn't blown away came from jeering, shouting students.

The 11 hours of violence on the campus during the night officially ended at 6:15 a.m., when Brig. Gen. Charles Billingslea, commander of the federal troops in Mississippi, said: "I now declare this area secure."

But, in fact, the bayonets and the gas launchers of his men cleared only the campus and 45 minutes later the first of the resurgent trouble hit the streets of Oxford, close to the guarded fringes of the school itself.

Patmos Man's Sentence Suspended

TEXARKANA — In U. S. District Court here Friday Judge E. Miller placed Thurman Vernon Landes, Patmos, Ark., on three years probation for violation of the federal liquor laws.

After hearing testimony in a civil suit Judge Miller took the case under advisement.

The suit was brought by William T. Keaton, Negro, of Howard Co., on behalf of his 13 year old son, Louis Bernard Keaton, against the estate of Willie Dale McCook, deceased.

The suit involved a collision in which McCook, resident of Abilene, Texas, was killed and the Keaton boy injured. The accident occurred in Nov. 1961 near Hope, Ark.

The Keaton boy sustained fractures of both jaws, and the plaintiff seeks damages for his injuries. The defendant admits liability in the matter, but the amount of the damages to be paid is at issue. The plaintiff asks \$50,000.

Fayetteville Store Guttled by Fire

FAYETTEVILLE, Ark. (AP) — Fire destroyed Kan's Sporting Goods Store in Fayetteville today and heavily damaged a drug store in the same building.

Firemen said an explosion blew the store's plate glass window from the building and tossed it about 125 feet.

There were no injuries reported. Kan McRee, owner, said the store had not opened for business.

Firemen said the explosion was probably caused by gunpowder. McRee estimated his loss at more than \$100,000 but said the equipment and supplies were partially insured. Carl Tume, owner of the building said his loss would probably run around \$40,000.

The College Avenue Pharmacy, in the same building, was heavily damaged by smoke. A firewall separating the two businesses held keeping damages to a minimum in the drug store. There was no damage estimate available for the drug store.

Three pumper companies responded to the fire call. Highway 71, on which the building was located, was blocked for more than an hour by firefighters. Traffic was routed around the area.

Firemen said the blast was heard throughout the city.

Britain May Sell to Middle East

LONDON (AP) — The Foreign Office disclosed today Britain may sell guided missiles in the Middle East following a new American arms deal with Israel.

The U.S. deal to supply Israel with hawk ground-to-air anti-aircraft rockets ended a long-term Western embargo on such sales.

British informants here said the American decision was "merely notified to this country shortly before its announcement" — and without prior consultation. Under the old American, British and French declaration, the Western Allies are supposed to consult together before injecting new weapons into the sensitive Middle East region.

Government officials in London have made no secret of their irritation at U.S. arms sales policies, particularly to such countries as West Germany, because these have had the effect of pushing British weapons out of their old markets.

Western New Guinea Ends Dutch Rule

By HENRY HARTZENBUSCH

HOLLANDIA, New Guinea (AP) — Three centuries of Dutch colonial rule in Asia ended today with the raising of the United Nations flag over West New Guinea in a prelude to Indonesian takeover of the rugged jungle territory May 1.

The U. N. flag was hoisted alongside the Dutch flag over the former Dutch governor's palace under an agreement providing for U.N. administration of the territory for the next seven months. The United Nations, with the backing of a 1,000-man Pakistani security force, will try to maintain order among the Papuan inhabitants until Indonesia moves in.

The two-stage transfer, devised by U.S. diplomat Ellsworth Bunker, was agreed on by Indonesia and the Netherlands after Indonesia threatened to take the territory by force. The Dutch had held on to West New Guinea in 1949 when Indonesia won sovereignty over the rest of the prewar Dutch East Indies.

Administration of New Guinea was handed over by acting Gov. Hain Veldkamp to Jose Rolz-Benel of Guatemala, temporary U.N. administrator.

A flag-raising ceremony in Hollandia's public plaza was cancelled to avoid provoking Papuans. Indonesia has promised them a self-determination plebiscite before the end of 1969.

Loss of New Guinea leaves the Netherlands with only two overseas territories — the relatively rich South American territory of Surinam, or Guiana, and the Netherlands Antilles in the Caribbean.

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain — without surgery.

In case after case, while gently relieving pain, actual reduction (shrinkage) took place. Most amazing of all—results were so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!"

The secret is a new healing substance (Bio-Dyne®)—discovery of a world-famous research institute. This substance is now available in suppository or ointment form under the name Preparation H®. At all drug counters.

Two Bond Issues in Clay County

EL DORADO, Ark. (AP) — Clay County residents are voting today on two bond issues to provide operating funds for two industries.

The first would provide the Chase-Gor-Cord Rubber Co. funds to help finance \$875,000 worth of additional equipment and supply operating capital.

The second would provide \$412,000 to help establish the Engineered Wood Products Co., a new industry backed by eight saw mills in the area.

Under the proposals, the increased millage will not be levied. The companies are expected to pay back the money if voters approve the measures.

The new industry is expected to employ about 100 persons. The rubber company will employ about 400 persons at capacity. It started production last week and now employs 30 workers.

Mother, Baby Are Doing Fine

LITTLE ROCK (AP) — An expectant Negro mother was being driven to a Little Rock hospital when the stork came early—and the car died.

Mrs. Leicester Barton was being taken to the hospital by her sister when the motor quit. The sister managed to guide the car into a nearby service station and the delivery was all over. The new mother and her baby boy were transferred quickly to a hospital, where both have been doing fine.

To keep away evil spirits, most people of Yemen darken their eyelids and eyelashes with kohl, an antimony compound. Men tint their beards and nails with henna, a reddish-brown plant dye.

DODGE PRESENTS THE DEPENDABLES FOR 1963!

Dodge Polara 2-door hardtop

1963 DODGE... BEAUTIFUL NEW ENTRY IN THE LOW-PRICE FIELD

Compact Dodge Dart 2-door hardtop

1963 DODGE DART... A FRESH NEW COMPACT IN THE LARGE ECONOMY SIZE

INTRODUCING THE 1963 DODGE

Now a complete new line of cars in the low-price field. The 1963 Dodge! People who see it just naturally get carried away. Reasons? 1. The looks: Great! 2. The price: Low! Wouldn't you rather own a Dodge than other low-priced cars? 3. The room: Big! Notice how the roofline sweeps straight back. That means ample headroom for the people in back, not just the ones in front. Seats? Your choice of models with sofa style, buckets or fold-down center arm rest. 4. The upkeep: Low! Dodge is rust-protected. The body unitized. The brakes self-adjusting. A major grease job lasts 32,000 miles, an oil change 4,000. 5. The feel behind the wheel: Like nothing else! Five strong engines to choose from. Smooth-going torsion-bar ride. Easy low-friction steering. Comfortable chair-high seats. Nylon, leather-grained vinyls. There are several hundred more reasons why you'll be carried away. Your Dodge Dealer has 'em all.

NEW 5-YEAR/50,000-MILE WARRANTY! Your authorized Dodge Dealer's Warranty against defects in material and workmanship on 1963 cars has been expanded to include parts replacement or repair for 5 years or 50,000 miles, whichever comes first; on the engine block, head and internal parts; transmission case and internal parts; torque converter, drive shaft, universal joints (excluding dust covers), rear axle and differential, and rear wheel bearings—provided the vehicle has been serviced at reasonable intervals according to the Dodge Certified Car Care schedules. Factory approved remanufactured parts may be used for replacement.

Networks Do Good Job on News Events

By CYNTHIA LOWRY
AP Television-Radio Writer

NEW YORK (AP) — Television did a conscientious job of staying on top of the swift-moving events in and around the university town of Oxford, Miss. All networks broke into regular programs frequently with bulletins.

When President Kennedy postponed his television talk about the situation from early evening to 10 p.m. the three networks immediately opened up their precious Sunday night time.

Five new programs moved into their network positions over the weekend, ranging from a slapstick comedy series to Jack Webb's anthology program.

Technically, Jackie Gleason's "American Scene Magazine" is a new show. Unhappily, the evidence on Saturday night's premiere indicates it will be a faithful but faint carbon of the old Gleason show.

All the old familiar ingredients were there—the pretty girls, the dancers and Jackie in an assortment of comedy roles.

The new Roy Rogers-Dale Evans variety hour, which premiered at the same hour on ABC Saturday, was much more entertaining. It featured some of the fights at the Seattle World's Fair, some mild comedy and some pleasant singing numbers with both Roy and Dale uncorking surprisingly fine voices. It was a nice, warm family show.

"I'm Dickens...He's Fenster," a new ABC program on Friday, stars two engaging comedians, John Aspin and Marty Ingels, and

14 of her little friends gathered. Games were played, and gum and suckers were given as favors. The birthday girl received many nice gifts. Assisting in serving ice cream and birthday cake were Mrs. Lyle Allen, Mrs. Edward Key, and Mrs. Truman Hill.

Observed Fifth Birthday
A party for Master Glen Griffin was given at Williams Wee College on the occasion of his fifth birthday, Sept. 28. Mrs. Herbert Griffin Jr., mother of the birthday boy, was assisted by Mrs. John Bright at the birthday table.

Favors of gum were given the 45 little friends, who were served punch with the cake. A guest from out of town was Miss Sandra Voris of Ardmore, Okla.

Coming and Going

The Rev. A. D. Livingston conducted a revival in Abilene, Tex. last week.

Col. K. McKee Lemley, in charge of the missile defense of New York City and Brooklyn, left Friday for duties in the eastern U.S. after a visit with his parents, Mr. and Mrs. Harry J. Lemley.

Mrs. Izora Tullis has returned home after spending several days in Shreveport visiting friends and relatives.

Mrs. Jeffie M. Jones and Mrs. Albert Alexander, both of Pine Bluff, spent the weekend with the Teddy Jones family.

Mr. and Mrs. R. H. Voris and two daughters of Ardmore, Okla. are visiting the Ed Thrashes.

The Phil Dixons of Little Rock spent the weekend with Misses Marie and Nannie Purkins and Mrs. Glen L. Williams.

State Stock Show Opens at Little Rock

LITTLE ROCK (AP) — The Arkansas Livestock Exposition opened a six-day run in Little Rock today with cows and cowboys taking the spotlight.

Judging of livestock began at 8 a.m. in Barton Coliseum and in various show barns.

The Royal American Shows set up its famous "Midway" Sunday and Exhibitors put the finishing touches on several exhibits, including an Arkansas Parade of Products, a first for the 1962 show.

The weather picture appeared uncertain. Showers swept across Arkansas Sunday and have plagued the show in the past. Homer Berry of North Little Rock has been hired by exposition officials to see to it that rain isn't a problem this year. The job would be a reversal for Berry, who claimed he brought rain to several Arkansas cities this summer.

A parade through downtown Little Rock was to formally open the exposition today.

Officials said Saturday ticket sales had been good and expected attendance to be among the heaviest on record.

One of the television stars appearing at the show, Sheb Wooley, told Berry Sunday he had better keep the showgrounds dry through Wednesday. That is Wooley's last day to appear. He plays the scout on the Rawhide television series.

Berry is to get \$500 for keeping the show rain-free.

Festival to Hear Fulbright, Faubus

TYRONZA, Ark. (AP) — Gov. Orval E. Faubus and Sen. John L. McClellan, D-Ark., were scheduled to speak to a day-long meeting of the annual American Medicine Festival of Faith at Tyronza Thursday.

Some 6,000 persons from through the nation were expected to gather for the festival, which is held to allow physicians and other persons to re-dedicate themselves to moral values.

The festival is sponsored by the first district of the Arkansas Medical Society, although other state districts help.

It was founded in 1954 by Dr. L. H. McDaniel of Tyronza, a rural doctor who felt that "every other year we of the medical profession ought to put aside medicine for a day for some moral teaching."

Union Likes Trimble

WASHINGTON (AP) — Rep. J. W. Trimble, D-Ark., is one of 57 congressional candidates from 20 coal mining states endorsed for reelection by the United Mines Workers union. Trimble was the only Arkansas on a list of 52 Democrats and 5 Republicans receiving endorsements. He is opposed by Republican Cy Carney Jr., of Fayetteville.

is uninhibited and ingenious enough to be amusing.

"Mr. Smith Goes to Washington," which moved into ABC's Saturday night schedule, looked like a pretty weak entry. The comedy was almost nonexistent, and although the series is built around a freshman senator from some unidentified agricultural region, the first show was almost entirely about a rich widow with Washington social aspirations.

Jack Webb's first true story in his new CBS series made a hero of a doctor—safe enough this season. Webb's man removed a live Japanese shell from the body of a Marine on the deck of a destroyer. It was based on a real wartime incident, was well produced and promised auspiciously for the rest of the shows to come.

ABC's "Closeup" returned for another season with a stimulating and disturbing report on education in the Soviet Union.

DOROTHY DIX

Will His Be a Reluctant Bride?

By HELEN WORDEN ERSKINE

Dear Helen: My problem is my fiancée. I love her very much but she doesn't return my affection as much as I would wish. She promised that if she didn't care she wouldn't have accepted my ring, but the only time she ever reassures me of her love is when I practically force it out of her. She admits she enjoys kissing me and thinks I'm a swell guy. But that isn't love, is it?

I'm disturbed because she doesn't seem as eager as I am for us to be together. When I suggested we move up the date of our wedding, she refused, insisting on a May wedding in 1963!

Another thing, she wears Bermuda shorts even in the city. I don't especially like her to be whistled at continuously when we're walking down the street and warn her that she's asking for trouble. She shrugs her shoulders, saying none of this bothers her; that she's comfortable in the shorts and will continue to wear them.

Should I resign myself? She's 38, I'm 20. I've been keeping this locked up inside me for a while but now must have advice. Do you think this is natural behavior for a fiancée? —Uncertain

Dear Uncertain: One thing about your fiancée that you don't seem to appreciate is her honesty. At least she's not putting on an act as engaged girls often do, pretending to be everything they're not — sweet, yielding, and eager to please. After the wedding ceremony, husband finds to his shock and chagrin that he has quite a different woman on his hands. Of course this discovery works both ways. A man may behave like a paragon of virtue to impress his girl; then, after they settle down, reveal less endearing qualities that he managed to cover up during the engagement.

Your fiancée is frankly serving notice on you that she is independent; telling you in effect to take her as she is, or else. It's up to you to decide whether this is the type of girl with whom you want to spend the rest of your life. Some men admire a woman who knows her own mind. Others can't take it.

One thing is sure: a leopard doesn't change its spots. Don't go into this union secretly expecting to bend this girl to your will or make her over into another image. Too many marriages flounder on such false hopes.

This doesn't mean that you can't iron out certain points of friction in advance. In the case of the Bermuda shorts, don't try to lay down the law; instead, ask her if she dislikes any one of your clothes habits and offer to give it up if she will make a concession about the shorts. A strong-minded person who balks at taking orders will often see the justice of this kind of give-and-take, and since marriages only succeed on a give-and-take basis, you will be getting a preview of what you can expect in later years.

Dear Helen: Many other children share my problem. Having been left behind, I go to a school where the pupils are of a different race and creed. The girls are friendly but would rather be with someone else. Others act conceited. How can I make friends? I should add that I have a temper which makes it hard for me to be liked. —Friendless

Dear Friendless: If you're smart enough to realize that your bad temper is a drawback to friendship, you've made a good start toward correcting the situation. Most people, whether they're 8 or 80, avoid the company of those who have unpleasant characteristics, and a bad temper is

The siren look, hallmark of Garbo and Harlow back in the 1930's, has returned to us via fall hat fashions. But this is a new, updated look that is strictly 1962. Garbo slouch hat (left) and Harlow profile hat (right) tilted to one side have been done in many new versions. Greja Garbo effect (upper left) is seen in this hat with rolled profile brim. This is done in green, furry felt by Sally Victor. The snappy profile cloche a la Harlow is done in "more hat" mood of 1962 (lower left) by Lilly Dache. Here is 1962 version of Garbo's famous glamour hat (upper right) by Mr. John. Here's updated version of the Harlow hat (lower right) in Sally Victor's trim, neat cap-cloche. This is done in gold suede for maximum chic.

100 Pickers in Cotton Contest

BLITHEVILLE, Ark. (AP) — Some 100 cotton pickers are scheduled to compete in the 23rd annual National Cotton Picking Contest at Blitheville next Saturday.

The contest will be held on a 15-acre cotton patch owned by the Blitheville Junior Chamber of Commerce, sponsor of the event.

The contest was founded in 1940 as a one-day affair, but it has evolved into a week-long celebration including parades, dances, luncheons and other entertainment.

Festivities begin Tuesday and Thursday night 20 girls from five cotton producing states will compete for the title of queen of the festival.

Winner of the picking contest will receive \$1,000, and prize money for other places totals \$1,000. Pickers will be judged on cleanliness of their picking and on pounds picked.

Two Killed in

turn, groups of men and youths—many carrying soft drink cartons as ammunition—appeared at many intersections. The bottles began to fly through windshields and bang against the side of Army jeeps, even the cars of the passing citizens of Oxford.

In Washington, the Justice Department said that Meredith's entry into the campus Sunday came after a long delay. Ross Barnett, governor of Mississippi, was contacted by telephone by Attorney General Robert F. Kennedy.

Justice officials said the Mississippi governor promised: That he would not let U.S. marshals and Meredith would be admitted to the campus without opposition.

Would "attempt to preserve law and order with state police or in cooperation with U.S. marshals" against any violence which might erupt.

At the onset of Sunday night's violence, the Mississippi Highway Patrol withdrew from the gas-fueled field of battle and did not return.

Col. Tom Birdsong, the patrol commander, said the patrolmen had defective gas masks.

In Jackson, Gov. Barnett—who had sworn to go to jail rather than submit—was not available for comment on the disorders or the attorney general's statement.

Gov. Barnett indirectly gave up physical resistance Sunday in a public statement to his citizens. President Kennedy broadcast a nationwide appeal for public order.

Still, aroused students and the students said gun-firing outsiders—exposed into wild disorder even as President Kennedy made his plea.

Armed groups—other federal troops—looked on from the Ole Miss administration building of Ole Miss, about 8:15 a.m.

Because of the Sabbath, University officials had refused to complete admission Sunday when Meredith first arrived on the Ole Miss campus. He had stayed in a dormitory overnight.

The hills and woods of the Ole Miss campus didn't look today as they did when Meredith arrived. When Meredith went to be registered, the hills were covered with the debris of more than a half dozen burst out cars and trucks, the glittering shards of soft drink bottles, expended gas shells, bricks and stones.

Two had died; 20 had been injured, 93 had been arrested. Besides seven burned out cars and trucks, 20 other vehicles had been badly damaged.

The bayonets and the tear gas and the riot sticks brought an uneasy recess in the rioting, but it took nine hours during which U.S. marshals were pinned down.

Squirrel Season

LITTLE ROCK (AP)—Squirrel and rabbit seasons in the south half of the state opened today. The south season on squirrel is Oct. 1 through Jan. 15 and for rabbits, Oct. 1 through Jan. 31. The north season opened Sept. 1 for squirrel and rabbit.

In the Lyceum and sniper bullets pined dust from the red bricks of the century-old structure.

Slowly the bayonets forced the riders back, dispersing them, finally, into the woods and the dormitories of the 40-acre campus.

Mississippi police arrested 30 as they swept back the rioters. A Justice Department official said such could be subject to penalties totaling 20 years and a \$20,000 fine.

He said the charges could range from assaulting a federal marshal to rebellion or seditious conspiracy.

Regular troops lined up around the campus. Estimates put their strength at 1,000 men.

From the dorms of the campus came a muffled hooting from scattered elements of die-hard rioters—audible threat to the safe passage of James H. Meredith, 29-year-old Negro whose court-ordered enrollment at Ole Miss brought on the night's tragedy.

Armed marshals, who brought Meredith to the campus late Sunday, placed him in an apartment and guarded him through the night.

Today Meredith awaited the trip to register him as a student—first Negro knowingly admitted to the school in its 114 years.

The dramatic date with registrar Robert Ellis seemed to be on schedule this morning.

A French newsmen, Paul Guillard, died amid the fog of tear gas, a bullet in his back. He was reporting for the London Daily Sketch and Agence France Presse.

A kickboxer, a Republican, George Gentry, 23, was shot twice, once through the head and once through the body. He was dead on arrival at a hospital. State police said he was killed on the campus.

Two marshals and a newsman were among approximately 20 casualties, resulting from bird shot, bullets, rocks and tossed soft drink bottles. The condition of the two marshals was serious.

With the riot eight hours old at a few minutes after 3 a.m. Brig. Gen. Charles Billingslea ordered federal troops on the campus to use any force necessary to put down rioting.

Their bayonets fixed, 200 military policemen trained in riot control stood in front of the administration building where for an hour and a half the rioters had held federal marshals and National Guardsmen trapped.

This emotional explosion was worst since the U.S. Supreme Court made its historic 1954 decision outlawing segregation in public schools.

It was the gravest crisis between Mississippi and the federal government since the Civil War. Mississippi National Guard units with bayonets had little success with the hit-and-run campus marauders, who exploded into violence even as President Kennedy broadcast a plea directly to them for peace and non-violence.

Four after hour the riot rose and fell—but kept on—despite the indirect admission of Gov. Ross Barnett, leader of the state's fight against integration, that he had given up physical resistance to the thousands of marshals, military police and combat troops massed around this college town.

Halfway to daylight, 200 riot-trained military police from Memphis, Tenn., marched on campus to lift the siege of the Lyceum, the stately three-story administration building that was here when the Yankees marched in during the Civil War.

High-powered rifle bullets—fired from a tree grove nearby—drilled 20-odd holes through the Lyceum's front door, wounding one marshal in the thigh.

Once the students commandeered a bulldozer. They roared slowly toward the marshals but it broke down before it could reach effective range.

Again, they drove a fire truck at the federal line. The truck, too, stopped running at a crucial moment.

Twice massed students charged against a shower of tear gas grenades hurled by the marshals. Former Maj. Gen. Edwin Walker, the man who led the troops ordered by President Eisenhower into Little Rock in '57 in another desegregation crisis, led a thousand college youths in one charge that fell back a hundred yards from the marshals.

Walker jumped on the Confederate memorial and yelled: "If you can't win, go home. Don't stay at the university. But, let's not quit. We can win."

The second charge erupted through drifting fogs of tear gas but ground to a halt and turned to a retreat in the face of gas pellets.

In the grayness of dawn, federal troops began encircling movements around massed students.

Streets of the 40-acre Ole Miss campus in the first light of the day looked like a strange battle-field—covered with bricks, rocks, the broken glass and spent tear gas cartridges.

said, "my responsibility as President was therefore inescapable. I accept it."

"I deeply regret the fact that any action by the executive branch was necessary in this case but all other avenues and alternatives including persuasion and conciliation, had been tried and exhausted."

The President had put off his address for 2 1/2 hours, from 7:30 p.m. to 10 p.m. In the interval 100 more had been installed Meredith on the Ole Miss campus and Governor, Ross Barnett, had accepted the fact that "we are physically overpowered."

Barnett, who has been cited for contempt for spurning court orders to permit Meredith's enrollment, still protested both that the federal government was destroying the Constitution and trampling on state sovereignty. But he said in a statement he abhorred prospects of bloodshed and was urging all Mississippians and insubordinating state officers to "do everything in their power to preserve peace and to avoid violence in any form."

But he said in a statement he abhorred prospects of bloodshed and was urging all Mississippians and insubordinating state officers to "do everything in their power to preserve peace and to avoid violence in any form."

The Redskins lead the Eastern Conference today after their second straight upset victory, a 24-14 pasting of St. Louis Sunday, for a 2-1 record that includes a tie against Dallas. Los Angeles' win-ners Rams (0-3), get the next chance, but the Redskins must be favored (no snickers, please) after victories over the likes of the Cleveland Browns and Cards.

The Packers and Lions, both with 3-0 marks, play in Green Bay, Wis., next week. The defending champion Packers disposed of the Chicago Bears' first place dreams in a 49-0 lacing Sunday, while Detroit did the same to Baltimore with a 29-20 victory.

Both losers are now 2-1. In other games, the New York Giants moved into second place in the Eastern Conference with a 31-27 victory over Pittsburgh (1-2). Cleveland (1-2) was upset for the second straight week, this time by Philadelphia's Eagles, 35-7. The Rams lost to Dallas, 27-17, and San Francisco won its first, 21-7 over Minnesota.

In the American Football League, San Diego outlasted Oakland, 42-33; Denver defeated New York, 32-10, and Dallas bombed Buffalo, 41-21, in the only scheduled games.

Once more it was Norm Sneed's passing and Bobby Mitchell's running and receiving that did the trick for the Redskins.

Sneed hit Mitchell with scoring passes of 40 and 23 yards, giving the Cleveland castoff six TDs so far.

Jim Taylor, Green Bay's bruising fullback, took over the NFL rushing lead from Cleveland's Jimmy Brown when he gained 12 yards in 17 carries for the Packers, scoring three times. The former LSU star now has 323 yards to Brown's 20.

Green Bay's defense was equaling as strong as its offense, intercepting five Bears' passes, and allowing only 85 yards rushing.

Milt Plum ran 45 yards for a score on a quarterback sneak and passed for two touchdowns in the Lions victory. He completed 16 for 30 for 20 yards, but had four

intercepted, the first against him this season.

Colts quarterback John Unitas completed 14 passes, one to Jim O'Rourke for a TD, but the tough Detroit defense picked off three straight. Bobby Layne and tossed him for a safety in the final period.

Y. A. Tittle tied a giants' club record with four touchdown passes, hitting Paul Dudley

Frank Gifford, Alex Webster and Del Shofner, as the Giants came from behind to win for the second straight week. Bobby Layne and tossed him for a safety in the final period.

Eagles' quarterback Sonny Jurgensen finally got his offense going, and had help from the Eagles' defense, which limited Brown and Tom Wilson to only 71 yards combined rushing. Jurgensen threw two touchdown passes and scored once, but the Eagles (1-2) may have lost and Pete Retzlaff, who suffered a possible fracture of his left forearm.

San Francisco (1-2) got a pair of touchdowns from Bill Killebrew, who gained 61 yards in nine carries, 55 coming on the 49ers' first TD drive.

Eddie Lebaron, the Cowboys' quarterback, threw two touchdown passes, one an 85-yard play to fullback Amos Marsh. Don Perkins also scored for the Cowboys (1-2), while Sam Baker contributed a pair of field goals.

Sewage Plant

FORT SMITH, Ark. (AP)—The city of Fort Smith has announced it plans to construct a \$10.5 million sewage treatment system to serve an estimated population of 135,000 in 1990. The plant would be built in sections over the years and be partly financed with federal funds. The city commission said it decided to build the plant when it became apparent the state Health Department would halt the dumping of raw sewage into the Arkansas River about 1958.

Teachers Bop Ouachita in an Upset

By THE ASSOCIATED PRESS

Arkansas State Teachers rallied from two straight defeats to bop Ouachita 13-7 at Conway in the Arkansas Intercollegiate Conference's only upset Saturday night.

Arkansas Tech downed Arkansas A&M 1-0, Harding whipped Southern State 20-7 and Henderson romped on College of the Ozarks 20-7 according to the book.

The results left Tech atop the AIC standings with a 2-0 record (including last week's victory over Harding). For all except Tech and Harding, the games were AIC openers.

Teachers blew an early lead to Ouachita, but hanged into the victory column on a 4-yard drive in the third period. Quarterback Herbie Cork passed to halfback Bill Tiner for the touchdown.

Steve Hathcoate put the Bears ahead 6-0 with a 49-yard run in the opening period, but Ouachita ground out a 73-yard touchdown march in 10 plays in the second frame. Freshman Charlie Williams scored from the six and Robert McGlothlin kicked the conversion that gave Ouachita a 7-6 lead.

The Tech-A&M game was closer than the score indicated. The Wonder Boys got a third period touchdown on a break when tackle Don Gilbert scooped up an A&M fumble and lumbered 30 yards to the goal. Sonny Zachary added three more Tech points with a 15-yard field goal with seven seconds left.

But Tech had enough to win from a 57-yard first period drive capped by quarterback B. J. Moore's five-yard run.

Halfback Jerry Mayer scored on runs of 17 and 18 yards to help boost Henderson over Ozarks, which broke a long losing streak last week with a victory over Southern State of Memphis.

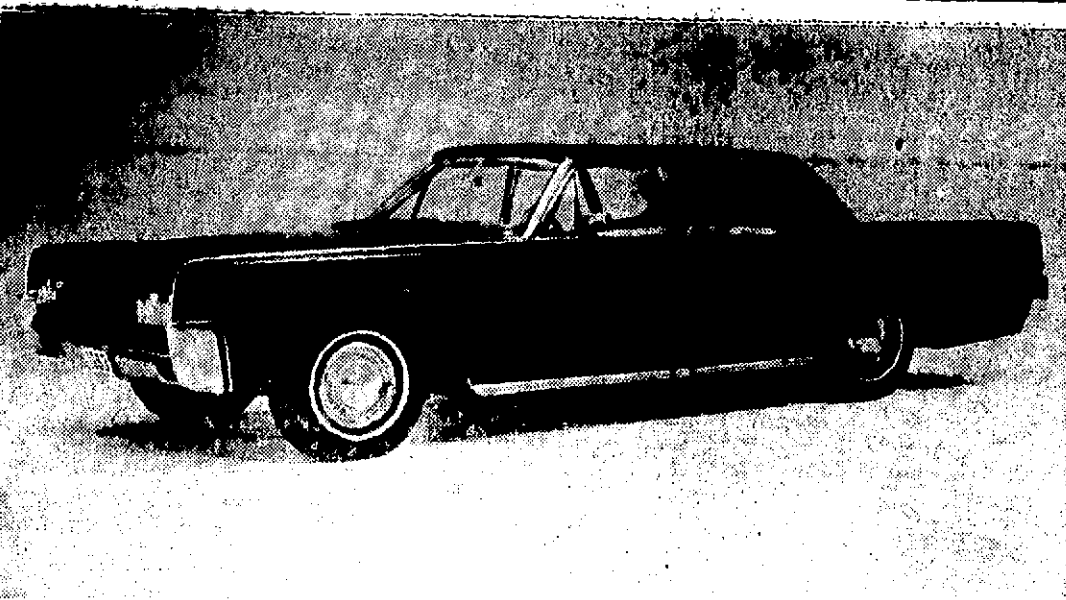

Reddie fullback Terry Don Therman got the third and final score on a 2-yard run after halfback Wayne Thompson returned a punt 24 yards to the Ozarks 28.

Ozarks halfback Mike Kennedy returned an intercepted pass to the Reddie two and halfback Phil Collins cracked over in three tries to get the Mountaineers on the scoreboard late in the game.

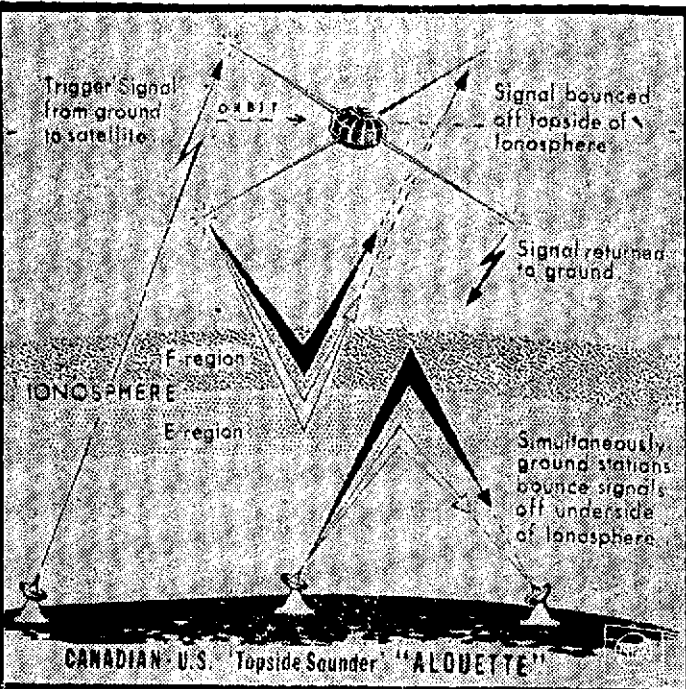

Quarterback Tom Carter was the star of Harding's victory over Southern State. He passed 10 yards to end Norman Tubbs for the first Bison score, set up the second with a 23-yard pass to end Ray Griffin and scored the third on a one-yard sneak. Halfback Dale Brock carried over on the second counter.

Southern State's third unit marched 81 yards in eight plays and halfback Larry Gilliard ran over from the three with 50 seconds left to avert a shutout.

This week's games send Southern State to Tech, Harding to Ouachita, Teachers to Ozarks and Henderson to Mississippi College.

The classic styling of the Lincoln Continental continues into 1963 with minor refinements. Redesigned interiors give almost an inch more leg room for front seat passengers and more than an additional inch in the rear. A new engine gives higher performance. Luggage space is increased. Improvements in design and manufacture contribute additionally to Lincoln Continental's reputation for unequalled reliability and durability.

agreement lined up. Windy, who returned to Little Rock Sunday night from the meeting, also would not comment.

The community-owned team set-up has worked well with the Little Rock team, nicknamed the Travelers. Burris said Sunday he will meet with Louisville Mayor William Cowger to discuss the possibilities of community ownership of the Colonels, who have had attendance troubles this season.

The Colonels currently are playing in the Junior World Series.

Freshman Game

TEXARKANA, Tex. (AP)—The Arkansas and Southern Methodist freshman football teams renew their rivalry next Thursday night in Texarkana.

Arkansas has won two and tied two in a four-game series which ran from 1955-58. The unbeaten 1958 Razorback Shoats won the last game 30-6.

Porkers Turn on Steam to Blast Tulsa

FAVETTEVILLE, Ark. (AP)—The Arkansas Razorbacks turn their attention to the Southwest Conference wars this week, wondering if the Billy Moore magic will sustain them as well as it has in two non-conference victories.

Moore rolled up 239 yards in total offense Saturday as the Porkers swamped Tulsa 42-14. His efforts included a 90-yard touch down sprint that set a team record.

Billy the Bully hit on 12 of 14 pass attempts and scored a second touchdown on a short plunge in a near-perfect afternoon against Tulsa.

His understudy, Billy Gray, connected on two touchdown passes and Freddy Marshall, relegated to quarterbacking the third unit as Gray's first against Oklahoma State, ran 19 yards for the final hog score seconds before the final gun.

The Arkansas air attack, which accounted for four touchdowns in an opening 34-7 victory over Oklahoma State, clicked with perfection again Saturday. All told, the Hogs hit 19 of 24 passes for 177 yards. They rolled up another 300 on the ground.

Coach Frank Broyles, apparently thinking of Saturday night's conference opener against Texas Christian in Fort Worth, did not share the reckless enthusiasm of most Arkansas fans.

"I'm still somewhat in the dark about our team," Broyles said. "We've scored a lot of points, but I really don't think we've beaten anybody yet. It's been too easy."

BATTING—Willie Mays, Giants, hit his 47th home run, in the eighth inning, snapping a 1-1 tie, giving San Francisco a 2-1 victory over St. Louis and sending the Giants into a playoff with Los Angeles for the National League championship.

PITCHING—Curt Simmons, Cardinals, pitched a five-hit 1-0 shut out over the Dodgers, forcing Los Angeles into a playoff with San Francisco for the National League title.

Youth Wins Outstanding Design Award

LARRY L. STANLEY, SECOND FROM left, is winner of the Sacramento, Calif., State College advertising art contest in competition with 455 entries from 45 colleges. The advertising design major is the son of Mr. and Mrs. Larry L. Stanley of Napa Calif., and the grandson of Mrs. Walter A. Burns of Palmos and Mrs. Lillian Stanley Kernes of Texarkana. He has numerous relatives in Hope and Palmos. He received the \$200 award from SSC President Guy A. West, 1 ft. It will give us a false impression of our offensive strength, and our defense has a lot of work to do, too."

Tulsa Coach Glen Dobbs was not in the least stunting with praise. He called the 192 Razorbacks the strongest team he has seen in the seven years he has been a Fayetteville September visitor.

But TCU, stinging from a 21-20 defeat at the hands of Miami, presents a formidable hurdle for the Porkers as they embark in an effort to grab an unprecedented fourth straight title.

Tulsa made a game of it for a few minutes Saturday, but Arkansas quickly demonstrated that its depth and quarterbacking were too much for the Hurricane.

With Moore hitting four of five passes for 44 yards, the Razorbacks drove 77 yards to score with the opening kick off. Fullback Jesse Branch cracked over from the eight, Tom McKnelly missed the conversion. He made four other tries.

Tulsa quarterback Stu McBirnie then put on an aerial show of his own and pitched the Hurricane into a tie with four of five completions in a 65-yard march which ended with Jerry Swanson's one-yard plunge.

Moore bounced the Razorbacks with time running out, Marshall bins had 294 against SMU in 1953.

right back, passing for 44 yards in a 57-yard push and scoring himself from the one. He passed for a two-point conversion to Jerry Lamb.

Gray hit Branch with a five-yard scoring strike to make it 21-6 at halftime.

Right after intermission Moore got off the 90-yard sprint. The play started with a broken signal. As Broyles put it, "The fullback was the wrong way and Billy had to run."

He ran five yards farther than Aubrey Frazier did in 1946 when he set an Arkansas record of 85 yards for a touchdown play from scrimmage.

Moments later Porker Jim Worthington set soil on an 87-yard gallop to the goal, but this one was called back on a clipping penalty.

Indirectly, this set up the second Tulsa touchdown for, as Arkansas was trying to work the ball in the hard way, defender Ken Boone picked off a Gray pass and sped 7 yards to paydirt.

Ronnie Sine passed for a two-point conversion and Tulsa was in a tie with four of five range again at 28-14.

Gray took care of that with a 10-yard touchdown pass to Lamb early in the fourth period. Then, with time running out, Marshall bins had 294 against SMU in 1953.

P. B. Bond Issue

PINE BLUFF, Ark. (AP)—The Pine Bluff city council has called for the Nov. general election a \$2,214,000 bond issue to finance construction of new municipal buildings. A four mill tax would be levied to support the issue.

Nurses to Meet

LITTLE ROCK (AP)—The 15th annual meeting of the Arkansas State Licensed Practical Nurses Association will be held in Little Rock Oct. 8-10 with about 300 practical nurses expected to attend. The nurses will represent 27 local associations in the state.

was trapped trying to get off a pass. He spied daylight in the middle and dipped through for 19 yards and a score.

Moore individual offense total was the fifth highest one-game yardage in Razorback history. Lamar McLean, the tailback-quarterback sensation of 1949-53 topped its three times with 257 yards against Texas A&M in 1951, 263 against A&M in 1953 and 249 against Tulsa in 1953. Jack Rob-

American Has Admitted Little Rock

LOUISVILLE, Ky. (AP)—Little Rock was admitted by unanimous vote Sunday night to the American Association.

Out of baseball the past season when the Southern Association folded, Little Rock becomes the seventh team in the American Association, a Class AAA circuit.

League president Jim Burris said he is not disturbed by the fact that the AA has seven teams, instead of the customary even number of teams.

"We can go up or down as the situation demands," said Burris. "We're all happy to have Little Rock."

Burris said the club would be community owned and Ray Windor would serve as general manager. Although Burris would not comment, the club is reported to have a major league working

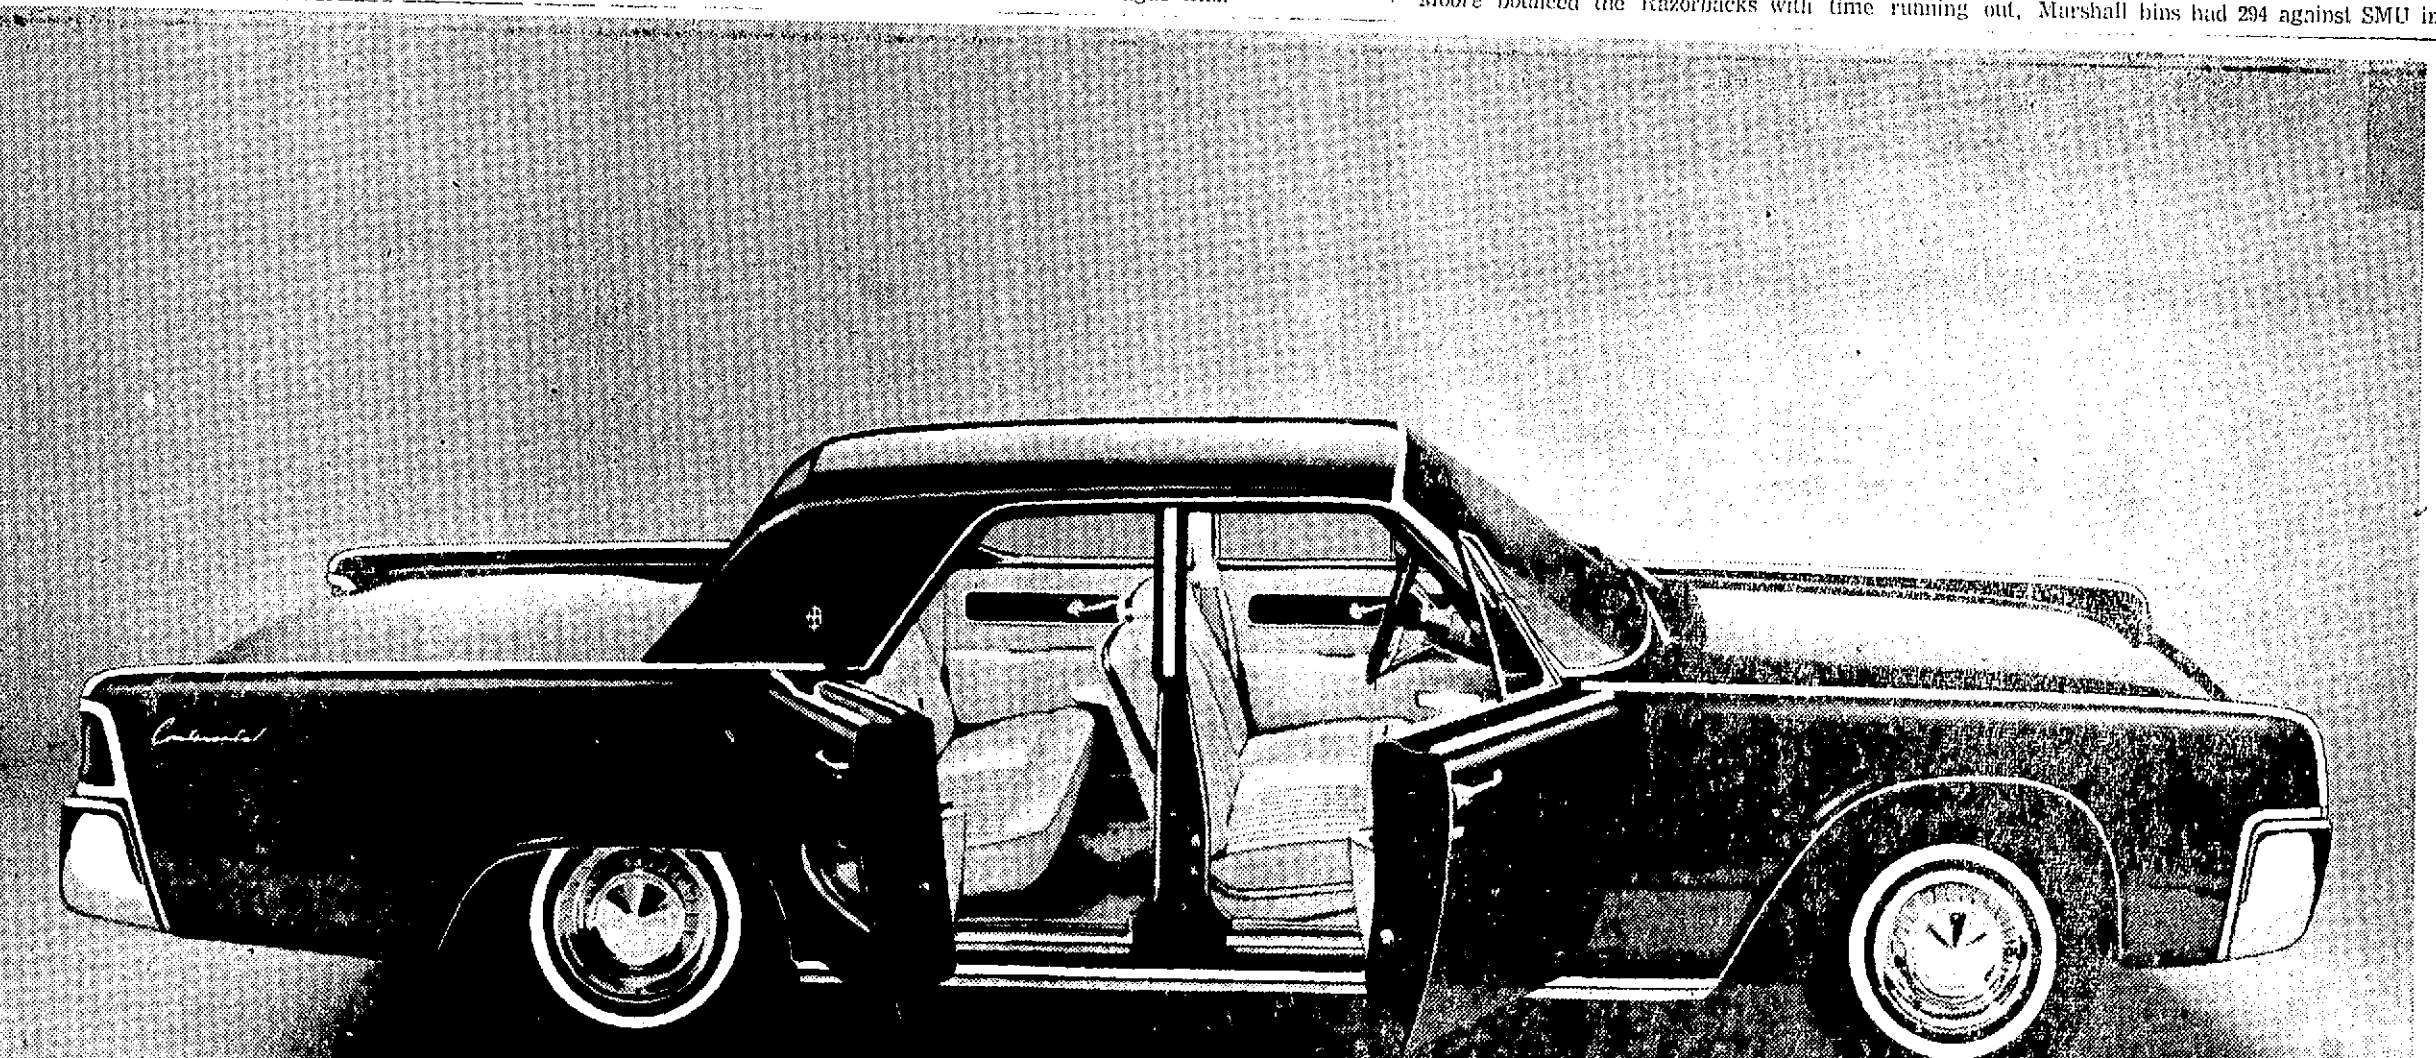

When to Fish or Hunt Solunar Tables

By John Alden Knight

The schedule of Solunar period as printed below, has been taken from John Alden Knight's Solunar Tables. Plan your days so that you will be fishing in good territory or hunting in good cover during these times, if you wish to find the best sport that each day has to offer.

The Major periods are shown in bold face type. These begin at the time shown and last for an hour and a half or two hours there after. The minor periods, shown in regular type, are of somewhat shorter duration.

FOR 1963, WE HAVE ENLARGED YOUR PRIVATE WORLD AND PROVIDED YOU WITH ADDED POWER

Close the doors . . . and the classic look of the Continental is little changed for 1963. Even the connoisseur will have difficulty in discerning all the nuances of styling we have introduced. (One reason why the Continental retains its exceptionally high value year after year.)

Then open the doors . . . and discover the first of many refinements. New spaciousness in the interior. Significantly increased leg room for passengers, and a considerable addition to the usable capacity of the luggage compartment. Each offers even greater comfort and luxury in the private world of your new Continental.

Now, drive the car . . . and experience the excitement of augmented power in the 1963 engine. A new high turbulence piston

design and full range carburetion provide superior acceleration for passing at freeway speeds—an improvement over even the remarkable 1962 Continental engine.

Important changes, but none for the sake of change. For we will not tamper with this car merely to be different; the only changes we make are functional refinements which add to the quality of the finest car built in America.

Timeless in styling . . . superb in craftsmanship . . . lasting in value. Unquestionably your finest motorcar investment for the years ahead. This is the Lincoln Continental for 1963.

And as final proof of quality, Lincoln Continental was the first American car to offer a total-car warranty of two full years or 24,000 miles.*

The skinny cowboy let his clenched hand open and rest on the saddle horn. The other cowboy said, "Look, Deputy, we work for old man Underwood. He told us to meet him in town, and you know how strict he is. Let us go on in and meet him and we'll tell him what you said about checking our guns. We got to take orders from him."

"Why, feller, I don't care who you meet or who you take orders from," the deputy said. "But you got just two choices right now: hand down your guns or else turn around and go back."

They sat without speaking for a half minute and Youngblood could almost see the working of the mind of the skinny one. He was thinking about their chances of getting through. Then he decided that they could not. He reined around slowly, careful not to start anything. The other cowboy followed him, and they rode back south.

He took the big bay gelding out of the creek bottom and rode up the gentle rise toward the south, not along the road, but angling toward the west where the ridge was higher. He sat his horse on the high ground and lengthened his grip on the reins so his animal could crop at the bunch of grass. Behind him he could see the town of Comanche Wells.

When his eyes swung south Youngblood saw riders. He pulled up his horse's head and put his right hand up to shield his eyes. Five of them. He would have bet that among them were the two that among them were the two he had turned back, and another was probably Underwood.

He rode back down into the creek and tied the bay among the other horses, then walked back up to the willow clump. "We've got some more visitors coming, fellers. Five this time. They may figure there's enough of them to bull their way through."

"We're right together, me and you," the Ranger said, grinning. "In fact, we got a kind of a policy, Youngblood. Don't draw your gun unless you're ready to use it. If the bunch gets by you, I'll guarantee to lay down two or three of them before they get in the creek."

"Say we draw a line about right here," Youngblood said, swinging his hand across the road. "Eb, that's a real dangerous gun you've got there at close range. Keep it on them but don't get trigger happy."

The drygoods clerk he said, "That 45 will buck pretty bad with you if you're not used to firing it. Fire at the horse instead of the man. But don't fire at all unless they start it or cross our line."

Underwood was in the lead and Ogle in the rear. The skinny man and his partner were with them, and probably the other cowboy was one of Ogle's hands. Underwood drew up 40 feet from them and said, "Let's stop this foolishness, Deputy. Get out of the road!"

Youngblood couldn't tell whether the old man was bluffing or not.

"Mr. Underwood," he said,

Wants to Know About Union Law

LITTLE ROCK (AP)—The executive secretary of the Arkansas Free Enterprise Association said Sunday Arkansas members of Congress are inquiring whether an Area Redevelopment Administration loan to Star City was contingent on repeal of an anti-union ordinance.

George Dickinson, the executive secretary, asked last Saturday that the situation be investigated. He said Reps. E. C. Gathings, Dale Alford, Oren Harris and J. W. Trimble and Sen. J. William Fulbright had written letters to him saying they were making inquiries.

The ordinance required the labor organizers register with the city, prove good character and pay \$1,000 a day for working in Star City.

Bill Becker, secretary-treasurer of the Arkansas AFL-CIO, wrote the mayors of six cities telling them of the Star City situation.

The AFSA said it feared the action might set a bad precedent of federal dictation of state and local legislation.

We wish to express our sincere appreciation for all services and kindnesses rendered by our many friends and neighbors during the loss of our loved one. Your kindness and expressions of sympathy will always be remembered with deep gratitude.

Five Deaths Sunday, State Toll Is 11

By THE ASSOCIATED PRESS

Traffic accidents Sunday claimed five lives, boosting the total violent deaths in Arkansas for the week ended midnight Sunday to 11.

Two North Little Rock residents died Sunday in a two-car crash on rain-slick state Highway 10 about two miles south of Perryville.

State Trooper Hank Bergen identified the dead as Mrs. Julia Lettwich, 46, and her six-year-old daughter, Vivian. Injured were Mrs. Lettwich's husband, Neal, 46, and two sons, Neal Jr., 16, and Keith 10. They were taken to a Little Rock hospital where their condition could not be determined immediately.

Bergen said William Theodore Lewis, 27, of Little Rock was driving north on the highway, applied his brakes and skidded into the Lettwich car almost head-on. Lewis was taken to a Morrilton hospital, suffering with lacerations and a possible concussion.

State Police said Ernest L. Thornton, 30, of Burdette was killed Sunday when his pickup truck plunged off U.S. Highway 61 five miles north of Osceola. Police said Thornton was alone and there was no explanation for why his truck left the highway.

A 15-year-old boy from Salem was killed Sunday when a truck in which he was riding plunked off a bridge across the South Fork River at Saddle, 15 miles south of Mammoth Spring.

State Trooper Daryl Rose said Lloyd Ray Romine, son of Mr. and Mrs. Winston Romine of Sa-

lem, was thrown from the truck when it went off the bridge and then was pinned beneath it.

Rose said the truck fell about 15 feet onto an embankment. Harold Murro, 16, was driver of the truck, Rose said. Murro was not injured.

A West Memphis Negro, John Henry Franklin, 42, was killed when he attempted to pass a truck and trailer rig on U.S. Highway 70 and crashed into a bridge abutment five miles west of West Memphis Sunday.

State Police said Franklin's wife Maggie, 34, was in poor condition at a Memphis hospital. Police identified the driver of the truck and trailer rig as Isaac Robinson, 52, of Hughes. He was not injured.

Four other persons died in traffic accidents during the week, two in one wreck near Mayflower Saturday. One other person died when hit by a train and one died of a gunshot wound.

Porkers, TCU Meef Saturday at Ft. Worth

By HAROLD V. RATLIFF
Associated Press Sports Writer

Arkansas, plowing with devastating fury over inter-sectional foes, turns its attention to Southwest Conference warfare this week and waiting for the Razorbacks are the embattled Texas Christian Horned Frogs.

These two teams, rated in the top tier along with Texas, clash at Fort Worth Saturday night in the first big game of the championship race.

Texas got the conference campaign moving last week with a crushing 34-0 victory over Texas Tech. The Longhorns take out for a resumption of inter-sectional strife Saturday night when they host Tulane.

Inter-sectionally, the league is in arrears as the result of one of the worst Saturdays along this out in years. The conference teams played five games with out- side losses and tied one, only Arkansas was able to post a victory, the Razorbacks running over Tulsa 42-14.

But Texas Christian took a 21-20 licking from Miami, Southern Methodist was strapped 33-3 by Southern California and Baylor was tom-tommed 24-14 by Pittsburgh. Rice pulled what was in the category of an upset by playing the Louisiana State to a 6-6 tie.

The Owls were 14-point underdogs and some thought that was being charitable, when they met LSU, the nation's fifth ranked team. But sophomore Walter McReynolds had other ideas. He passed and ran all over the field and scored the touchdown that gave Rice prominence in the national picture.

The conference now stands 4-5-1 in inter-sectional warfare for the season with a chance to go ahead this week with three games being played. Rice gets Penn State in Houston, Southern Methodist plays Air Force Academy at Dallas and then there's the Texas-Tulane clash that Texas will be highly favored to win.

The league hasn't done well against its neighbors, either. Texas A&M took a 6-3 licking from Houston last week. The latter had beaten Baylor 19-0 the week before while West Texas State was trimming Texas Tech 30-27.

Two conference games are scheduled Saturday with Texas Tech clashing with Texas A&M at College Station while Texas Christian and Arkansas are having at it in Fort Worth.

Dodgers and Giants Play for the Title

By MIKE RATHET
Associated Press Sports Writer

"I knew it was gone," said smiling Willie Mays. "Damn it, damn it," said dejected Johnny Podres. That just about summed up the feelings of the players Sunday at the two focal points of major league baseball—in San Francisco where the Giants won, and in Los Angeles, where the Dodgers lost and brought about the fourth pennant playoff in National League annals.

Mays, who hadn't had a hit in his last 10 trips to the plate, led off in the eighth with Houston and San Francisco locked in a 1-1 tie, and tagged a one-strike pitch over the left field fence for his 47th homer and a 2-1 Giants' victory. Podres, who had a two-hit shut-out with one out in the eighth, line in years. The conference teams played five games with out- side losses and tied one, only Arkansas was able to post a victory, the Razorbacks running over Tulsa 42-14.

The combination of the Giants' 2-1 licking from Miami, Southern Methodist was strapped 33-3 by Southern California and Baylor was tom-tommed 24-14 by Pittsburgh. Rice pulled what was in the category of an upset by playing the Louisiana State to a 6-6 tie.

A three-game playoff begins today at 3 p.m. EST in San Francisco, where Billy Pierce (15-6) will likely start against the Dodgers' Sandy Koufax (14-6). The second game, matching the Giants' Jack Sanford against Stan Williams, and the third game, if necessary, will be played in Los Angeles.

The World Series, with the American League champion New York Yankees furnishing the opposition, starts Thursday.

In the other closing National League games Sunday, John Tslouris' five-hitter led Cincinnati to a 4-0 victory over Philadelphia. Pittsburgh edged Milwaukee, 4-3, on Dick Groat's decisive double and the Chicago Cubs pulled off a triple play in a 5-1 decision over the New York Mets.

In the American League, the Chicago White Sox belted the champion New York Yankees, 8-4. Minnesota blanked Baltimore, 1-0, behind Camilo Pascual's three-hitter. Detroit whipped Kansas City, 6-1. Cleveland defeated the Los Angeles Angels twice, 4-3 and 6-1, and Washington and Boston split, each taking a 3-1 decision.

"I hit it good," said Mays, of the shot that won it for the Giants. "I don't know if that was my biggest homer ever—or not," Podres was sure.

"This was the best game I had pitched in my life. Just one blankety blank pitch and I get beat."

ROY WRAY (23), BOBCAT HALFBACK, GOES 23 YARDS FOR A TOUCHDOWN. Other Hope Players, left to right: Halback Maurice Sullivan (28); Fullback Bill Aldridge (31); left Tackle Kendall Yocom (75); and Quarterback Mac McLarty (12). Newspaper negative was damaged by stray light from badly-focused field-lights. The editor lost two touchdown shots in the DeQueen game for the same reason.

QUARTERBACK MAC MCLARTY (12) TAKES THE BALL ON THE Hope 30 and races 70 yards around end for a touchdown.

MALVERN DEFENSE STIFFENED ON THIS ONE. HOPE HALFBACK Jerry Burnett took the ball on second down on the Malvern 40 but the Leopards stopped him cold. On the third down Hope punted out on the Leopard 17.

MCLARTY FAKES A PASS ON THE HOPE 13 AND GOES AROUND left end for a 19-yard gain. PICTURE NOTES: IN NIGHT FOOTBALL THE CAMERA MISSES MUCH of the action because of the limited range of flash equipment — the range being between the 30-yard markers and a third of the depth of the field. Friday night the editor switched from giant flashbulbs in the press box to electronic flash from the box-seat section, the bottom three pictures being made that way. Judging from the original prints they are an improvement helped by a 1/2,000 exposure.

Bobcats Still 7th in State Grid Ratings

LITTLE ROCK (AP) — Pine Bluff's last two rousing victories caught the eyes of the Associated Press' board of judges this week, but Little Rock Central still wound up in the No. 1 spot in the poll this week.

The Zebras combed two first place votes from Central, a favorite to win the Big Nine Conference championship defended by Fort Smith.

Pine Bluff has handed Fort Smith and Blytheville their first and only defeats the last two weekends.

Central had trouble beating Hot Springs, which hasn't fared well thus far, which probably is part of the reason the Tigers lost two first place votes.

Neither team was rated lower than second.

Meanwhile, the Class AA ranks moved up to claim half the positions in the poll.

The results of the poll, with first place votes in parentheses and total points, based on 10 points for a first place vote, 9 for second, etc., at right:

1. Little Rock Central (5) ... 8	
2. Pine Bluff (2) ... 5	
3. Fort Smith ... 12	
4. Little Rock Hall ... 50	
5. Jonesboro ... 47	
6. Conway ... 44	
7. Hope ... 40	
8. Blytheville ... 39	
9. Little Rock Catholic (tie) ... 19	
Benton ... 19	
Others, in order: El Dorado, Camden, Rogers, Bentonville, Clarksville, Helena, Russellville, Booneville, North Little Rock and Texarkana.
